I hereby instruct Transport Auctions of London ('TAL') to sell the following listed items at auction on my behalf and under the terms and conditions outlined below which I have read and which I accept. I consent to TAL's collecting and holding my personal information as provided by me on this form and to TAL's use of my data for the purposes of carrying out the service I am requesting and communicating with me as necessary in connection therewith. I also consent that TAL may, unless I instruct otherwise below, contact me for the time being by email with information about TAL's auctions such as the sale catalogues and dates and details of sales. I understand that I may withdraw that consent at any time either by using the 'unsubscribe' option in any such email from TAL or by writing to TAL at the address at the foot of this form.

I do **not** wish to receive catalogues and other information about TAL's auctions by email.

### TERMS AND CONDITIONS

- A commission charge of 18% (inclusive) of the hammer price or £12 inclusive, whichever is the greater, will be deducted from the selling prices and the vendor authorises the Auctioneer to deduct all monies due to the Auctioneer from the auction proceeds.
- Reserve prices may be set by the vendor (minimum £75). Unless otherwise instructed by the vendor, the Auctioneer may use discretion to sell a lot at up to 10% below vendor's reserve. If a lot does not sell, an administration charge of 18% (inclusive) of the reserve or £12 inclusive, whichever is the greater, will be incurred.
- Where a lot is entered without a vendor's reserve, the Auctioneer will set a suitable reserve. In the event of such a lot not selling, the administration charge for an unsold lot will not apply.
- All lots are sold at the Auctioneer's discretion unless written instructions to the contrary are received from the vendor at least 48 hours prior to the starting time of the sale (responsibility for receipt of such instructions rests with the vendor) and, in the event that a lot is so withdrawn, an administration charge of 18% (inclusive) of the reserve or £12 inclusive, whichever is the greater, will be levied.
- The closing date for entries is six weeks before the sale date or when the full number of lots has been achieved, if earlier. The Auctioneer reserves the right to defer items to a later sale where either the maximum number of lots has already been reached or where, in the Auctioneer's opinion, earlier inclusion would result in an imbalance of lots on offer.
- The vendor warrants to the Auctioneer that he/she is the true owner of the items entered (or has written authorisation from the true owner to sell the items) and that he/she has given the Auctioneer full disclosure of the provenance & authenticity of the said items and the vendor indemnifies the Auctioneer together with his servants and agents against all and any claim made in connection with the sale of the said items.
- The vendor shall arrange to collect unsold or withdrawn lots within 28 days of the sale unless the Auctioneer has agreed to re-enter them in a subsequent sale and, unless otherwise agreed by prior arrangement, any unsold or withdrawn lots not collected within 28 days shall incur a daily storage & administration charge of £2.40 inclusive with a minimum total charge of £30 inclusive. Lots not collected after 3 months will be sold for the Auctioneer's account without further notification to the vendor.
- Unsold or withdrawn lots will not be released until all outstanding charges have been settled in full.
- Any offers for lots after the sale are only to be negotiated through the Auctioneer and any sale thereafter of items which have been viewed through the Auctioneer's catalogues, viewing days, advertising or internet sites is deemed to be transacted by the Auctioneer and full vendor's and buyer's commissions are payable by the vendor.
- Payment of the proceeds of the sale less all applicable charges will be made to the vendor's bank account within 28 working days after the auction date, provided that the Auctioneer has received full payment from the purchaser. The Auctioneer shall not be liable for settlement of any lot for which he is not in possession of cleared funds.
- In the event of any disputes relating to a lot, the Auctioneer reserves the right to cancel the sale of said lot. The vendor will be responsible for collection of the lot.
- Goods entered into the auctions are so done at the vendor's own risk and, while every reasonable effort will be made by the Auctioneer to look after such goods, the vendor accepts that the Auctioneer is not liable for any damage or loss to the vendor's items while in the Auctioneer's possession.
- Vendors are not permitted to bid for their own lots.
